Masquers, the drama group North Reading High School, has spent the last five decades entertaining audiences in North Reading and throughout the Northshore.

North Reading Masquers productions have become a tradition for community members.

This year we are performing **Pippin**.

We are writing to invite you to advertise in our program. If you advertise with us in 2022, you'd remember what an attractive program the Masquers published. If you are a new advertiser, you will be reaching over **two thousand people over two weekends**. The money you spend on advertising will directly benefit the production, allowing us to continue to stage future productions that will entertain countless people from the surrounding area. Advertising in our program not only makes you a patron of the arts, but also allows your business to reach thousands of citizens from North Reading and beyond. Our rates are as follows:
