Senior Spotlight

Anna Balin (Lighting Designer) has been a Masquers member since her sophomore year. Since then, she's tried out everything from acting to costume crew, but eventually settled on lighting design. Anna has designed the lighting for both of her senior shows, as well as worked on building the plane for "The Drowsy Chaperone". However, her greatest achievement so far has been finally figuring out how to turn on the house lights. Anna is going to miss all of the friends she's made thanks to the club and hopes to continue her lighting and theatre career as she goes off to college

Brenna Barry (The Drowsy Chaperone) has been a part of Masquers for all four years of high school. She has always loved theater. Brenna has been accepted into Rochester Institute of Technology as a Performing Arts Scholar. She likes string cheese and white cranberry juice. She is super excited to be a part of the Drowsy Chaperone for her final Masquers show.

Meg Carey (Videographer) has been an officer since her Sophomore year, starting as Underclassman Representative, and becoming Historian for the last two years. She's done all of the shows since Beauty and the Beast, and can't wait to finish off with this amazing show!! Masquers has become her home over the past four years, and she is going to miss all of these wonderful people so much.

Erin Davis (Trix) has been a part of the Masquers family for four years. From "Beauty and the Beast" to "The Drowsy Chaperone" she has acted in all four musicals and two plays during her time in the club. Erin will be going to Northeastern University to study journalism. Her time in Masquers has given her a home for the past four years and she will treasure those memories throughout the next chapter of her life.

Alison Rabideau (Props Master) has been a member of Masquers tech crew since her freshman year. Her freshman year she was makeup crew chief and has been the following three years. Her sophomore year and on she was also properties crew chief. Her junior year she was junior class representative and her senior year she was a co-president. In the fall Alison is attending Pace University for a major in Film & Screen Studies. Her first semester will be in London. She would like to thank the Masquers family for the learning opportunities it has given her.

Meg Regan (Costume Chief) has been a Masquers member for all four years of her high school career. She is the treasurer of Masquers as well as the costume crew chief, and she has been doing tech in every show since "Beauty and the Beast". Meg has met so many amazing friends and made so many irreplaceable memories at Masquers, and the club has been instrumental in shaping the person she has become today. Even though she's about to graduate from NRHS and enter Northeastern University, Masquers will always be Meg's home away from home.

Rachel Schladenhauffen (Stage Manager) Rachel Schladenhauffen has been a part of Masquers for the last 4 years, presently serving as Stage Manager and Co-President of the club. Her favorite shows were *One Man, Two Guvnors* and, of course, *The Drowsy Chaperone*. Outside of theatre, Rachel loves being a part of NOTEorious a capella and painting. Next year, Rachel will be attending Boston University as a Trustee Scholar, pursuing dual degrees in Technical Direction and Mechanical Engineering. Rachel is forever grateful for her Masquers family for their endless support and wishes them the best in their future endeavors.
